About Us

Emu Spices, one of the leading companies in the spice industry, began production in 2014 in an area of 100 m² in the Nilüfer district of Bursa. It continues to serve you with the most natural and freshest products in its production, filling, and packaging facilities, which now exceed 2000 m².

Aiming to offer healthy, tasty, and high-quality products, Emu Spices provides these services with a hygienic, high-quality filling and packaging line.

Since its establishment, Emu Spices has never compromised on the principles of hygiene, health, and quality, conducting all its controls from the pre-production stage until the product reaches the consumer.

Shortly after its establishment, Emu Spices strengthened its production by acquiring filling machines, becoming a better spice and food brand that meets the changing needs of consumers with its excellent taste concept, and continues to produce healthy, delicious, high-quality products in accordance with procedures.

Emu Spices, whose mission is to ensure the production of the best and most valuable products, continues to produce products that suit the consumer's taste in accordance with ISO 22000:2005 procedures, while prioritizing customer satisfaction in its vision.

All this attention to detail is the main reason why the Emu Spices brand immediately brings to mind "quality and trust."
